Activities that Both Occupations Have in Common

Similarity of Focus Occupation to Associated Occupation: 93

Focus Occupation: Home Health Aides (31-1011)

Associated Occupation: Personal Care Aides (39-9021)

Work Activities	Exclusivity of Activity
Administer medications or treatments	46
Assist patient with dressing, undressing, grooming, or bathing	77
Clean rooms or work areas	30
Cook meals	80
Feed patients	89
Lift or transport ill or injured patients	69
Maintain dental or medical records	64
Observe patient condition	48
Provide in home patient care	99
Purchase food or beverages	82
Take vital signs	56
Work with persons with mental disabilities or illnesses	62

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
